Here's How This Powerful $97 Online Course Works

(Class Registration Ends September 28, 2018)

No rush. Go at your own pace on your schedule. You have 1 year to finish a 6 hour (each module is one hour) online course. You can watch the webinars, videos, read the manuals as many times as you want. You receive a certificate of completion.

The online course consists of 6 one-hour easy-to-follow modules. The modules consist of eye-opening information-packed webinars, videos, and manuals.

In addition to the online course, you receive expert legal updates that include podcasts, white papers, and sharp analysis of new court rulings.

You can access the online course 24/7. You learn at your own pace, on your own time. This course is heavily supported by Attorney Fiedelholtz and our platform technical support.

A big bonus that makes this course different from others, Social Media Attorney Fiedelholtz answers your questions during scheduled Q&A sessions.

Law Enforcement Professionals Agree, This Course Protects Officers and The Department From Costly Lawsuits and Loss Of Public Trust.

"The risks are too high to use social media and other digital media without this type of expert training."

- Philip B. Williams,
Ast. Sheriff
Orange County, FL

"This was an eye-opening course. It was well worth my money and time. Mark has trained many of our officers and wrote social media policies for the city."

- Former Chief Brett Railey,
Winter Park Police, FL
